Growing Faculty Mov

The New Trier faculty and administration, under the direction of Superintendent William H. Cornog, effectively utilized the new facilities and coped with an increased enrollment to make 1957-58 an outstanding school year. There were only two administrative changes in the fall. Mr. Jerry L. Kelley became the new freshman boys' adviser chairman but remained supervisor of the work of the visiting adjustment counselors. Mr. Carl W. Clader replaced Mr. Fred C. Windoes as head of the science department.

A total of thirty-nine teachers was added to the faculty this year. Twenty of these replaced former teachers and nineteen were needed to care for the increased enrollment and increased number of courses offerred. Mrs. A. Albert, Miss J. Clapper, Miss A. Doherty, Mr. W. P. Gregory, Mr. R. Gould, Mr. B. Guest, Mrs. J. Jensch, Miss C. LaGrange, Mr. J. P. McCloskey, and Miss E. McElhattan are new to the English Department.

To the mathematics staff were added Miss E. M. Cornell, Miss E. Donnell, Miss D. L. Harris, Mr. J. F. Judge, Mr. R. J. Leverentz, and Miss E. Strohmeier. Mr. J. L. Gerol and Mr. H. J. Peterson are the new social studies teachers. Miss G. M. Strasma and Mr. J. R. Thomson are teaching

languages. Newcomers to the science department are Mr. F. J. Burdine, Mr. E. L. Compton, Mr. P. B. Shoresman, Mr. E. V. Smith, and Mr. G. L. Wagner.

Miss I. E. Anderson, Miss A. Brown, Miss C. K. Ramsey, Mrs. C. R. Scott, Miss N. Sorenson, and Mrs. L. W. Sutton joined the girls' physical education staff. Mr. J. Farmer and Mr. T. Nisbet are instructors on the boys' physical education staff. The driver education department acquired Mr. J. M. Morgan and Mr. W. G. Zanetakos. Two departments acquired only one new teacher: art, Miss M. Frankenberger; industrial arts, Mr. W. J. Koser. Miss D. A. Johnson joined the library staff.

New members of the office staff are Mrs. A. H. Berkelman, Mrs. V. G. Chase, Mrs. W. C. Dodge, Miss D. Domenick, Mrs. L. C. Fallek, Mrs. A. R. Franzese, Mrs. B. S. Kastel, Mrs. H. Maynard, Mrs. A. L. Smith, and Miss M. R. Thalman.

Miss Ethel Evans, Miss Ada Flemington, Mr. Chauncey Jones, Dean Frederick Kahler, Mr. John Nay, and Mr. Harry Pifer are retiring at the end of this year.

Three teachers returned from leaves of absence: Mrs. B. Johnson, Mr. Sweet, and Mrs. Wehr.

Mr. Shearer served as president of the Faculty Council of 1957-58, which works with the administration to improve school conditions. Last year's Welfare Committee, composed of the heads of major student organizations and faculty sponsors and representatives, has been changed to the Student Cabinet to discuss student problems at New Trier and make recommendations.

Many departments moved into new offices and bright, well equipped classrooms in September. At long last the building matches the high standard set by the faculty at New Trier, 1958.

Advanced Placement, S

Curricular developments at New Trier Township High School during the 1957-58 school year included the establishment of a biology course for freshmen, the extension of the Advanced Mathematics course to include the twelfth grade, the expansion of offerings in the social studies courses, the tightening of examinations in the English Department, and first steps in providing for Advanced Placement courses in the foreign languages. In addition, at the beginning of the second semester a series of Seminars for unusually capable juniors was set up with advanced instruction in English, mathematics, chemistry, and foreign languages.

The course in biology for freshmen is now correlated in certain ways with the courses in English and history for these students. The correlation, however, is not so much in integration of subject matters as in combined efforts to develop certain intellectual approaches to the work. One purpose of establishing a biology course for exceptional students in the ninth grade is to prepare them for a possible election of chemistry in the tenth grade, of physics in the eleventh grade, and of a college level course in any one of the three sciences in the twelfth grade.

In the mathematics program the group of students who started as sophomores with combined plane geometry, solid geometry, and a few elements of trigonometry and calculus has progressed through the normal high school mathematics course by the end of the junior year and has undertaken a college freshman-level course in analytical geometry and calculus during the senior year.

In the Social Studies Department the course in Advanced U. S. History has been continued and expanded with emphasis upon the intellectual assignments and activities customary in a college-level course in history,

augmented by work in historiography, bibliography, and topical research. To the list of courses available for upperclass students has been added a course in Advanced British History, offered this year for the first time.

In the English Department the tests given at the end of the freshman and sophomore years have been continued, and the test in the junior year has been made even more demanding in essay test writing. At the end of the senior year, a combined test of essay writing and objective materials on grammar in usage has been given with very strict grading of the papers and the requirement that any student who does poorly must take another course of English in summer school.

In the foreign languages tentative plans have been made for pupils to begin either French or German in the freshman year so that students who wish to take four years of a foreign language may choose any one of the four languages that New Trier offers. This position is in line with the increasing emphasis among colleges upon the desirability of four years of one language as the best preparation for college language work.

One of the most interesting developments of the year has been the establishment of Junior Seminars for a group of unusually capable stu-

dents who, toward the end of the first semester, respectfully requested that they be given more exacting work. Seminars in English, mathematics, foreign languages, and chemistry were therefore organized for the second semester. The work in each of the areas was stepped up. Block scheduling of certain periods on certain days was established. The students concerned were given some latitude in using their time in either the library or a special room set up for their study, and they were required to attend class less than the five days a week ascribed for most courses. The evaluation of the work of the people in these Seminars was carried on in cooperation with a team of testing experts from the University of Chicago. The whole project gives promise of possible new arrangements of students' time as well as exciting and demanding new courses for especially able high school students.

All of these innovations reflect the continuing interest of the school in strengthening its curriculum at all levels. It has been the experience of all departments that new courses introduced for the more capable people tend to influence the other courses in each department so as to become a stimulating experience for teachers and students alike.

The incoming freshman class this year was the second largest in New Trier's history, numbering 940 students. Fortunately, the freshmen were able to enter a school now adapted to their size and the size of the even larger classes to follow them. The benefits of the new building were theirs from the start, without the trials and inconveniences of construction.

A number of events were planned to help orient the newcomers. Shortly after school opened, the annual Freshman-Senior Girls' Party was held to acquaint the freshman girls with one another, the seniors, and the Girls' Club Board. G.A.A. had a similar program of games and sports demonstrations. Meanwhile, the boys were introduced to Tri-Ship and began to acquire the points needed for membership through participation in athletics and extra-curricular activities. Girls' Club and the senior boys also provided Senior Helpers who worked with the freshmen in adviser rooms.

The first big event of the year was Freshman Go-to-school Night on October 24. Parents attended shortened classes with their sons and daughters and then returned to adviser rooms for discussions of opportunities at New Trier. This was an excellent, if somewhat rigorous, way of introducing freshmen's parents to New Trier.

Class officers were elected in the fall. They worked in planning the year's activities with the steering committee and adviser chairmen, Miss Blanche Veach and Mr. Jerry Kelley, who was new to the position this year.

The first class party, an informal, no-date affair, was held on November 15 in the Student Lounge. There were games and mixers, refreshments, entertainment, and dancing. The Senior Helpers assisted the class executives in arranging the evening. "Cherry Tree Cutup," the second class party, took place February 21. It was semi-formal and no-date. Some novelty and turn-about dances were featured. The new second semester steering committee was in charge of the last party, held April 26. These three dances were all ef-

fective in creating solidarity and spirit. Other social events were the Frosh Hag Party and the G.A.A. initiation banquet. The rigors of initiation and the picturesque apparel worn by the initiates were sources of great amusement to the entire student body.

The freshmen showed great interest and ability in plunging right into school activities. In various projects run during the year, such as the Magazine and United Fund Drives, they generally led the other classes in contributions. This was also a class of considerable talent as evidenced in Lagniappe, dramatic productions, and various musical organizations. Some fine singers and dancers gave promise of outstanding performances in years to come.

In sports, the freshman boys upheld the tradition of winning teams. The football and swimming teams won Suburban League titles with undefeated records. The basketball, wrestling and gymnastics teams also showed wonderful promise for the future. New Trier has justifiable hopes of remaining at the top of the Suburban League for at least three more years.

The class of 1961 promises to meet the challenge of New Trier and to keep it among the nation's top high schools.

Class of 1960's

The tremendous Class of 1960 which swelled New Trier's population two years ago have shown promise in every undertaking. In extra-curricular activities their participation has been more than worthy of their size. Guiding this varied and capable group were the adviser chairmen, Mr. Earl Weingartner and Miss Virginia Kral, and the sophomore officers—Gordon McDonald, president; Nancy Thoma, vice-president; Mary Wheaton, secretary; and Jeff Provol, treasurer. Together they supervised the highly successful class parties and other sophomore activities. Meeting frequently to discuss and arrange coming events, the steering committee provided the link between these people and the adviser groups.

The two parties, "Silver Bell Ball" and "Ragtime Romp," were among the high spots of the sophomore year. The entertainment was carefully and enthusiastically planned and performed; during the dance the mixers kept everyone circulating as each sophomore got to know his classmates better. The earlier dance, "Silver Bell Ball," produced an hour of entertainment built around a cheerful plot, treating its audience to a Lagniappe in miniature. Following the show in the auditorium, every sophomore was paired with a partner for the grand march to the Student Lounge, his first official opportunity to bask in its ultramodern luxury. The sophomores seemed to prefer this environment, for "Ragtime Romp" was held entirely in the lounge. The Roaring Twenties provided a theme for this dance, in the decorations, entertainment, and costumes, as several wore outfits representative of that era. For an appropriate and lively climax, various sophomores joined in another carry-over from the Twenties—a Charleston contest, in which the most skillful pair of contestants won prizes.

In addition to their social affairs, the sophomores enthusiastically observed or took part in each season's sports. In the fall the boys won the championship for football and later captured the same honor in swimming; their other sports also showed a marked improvement over previous years. The spirit of each team was boosted by the energy of the newly selected sophomore cheerleaders and by the crowd in the grandstand who loyally cheered every game. In addition to rooting for school teams, a great number of girls were active in G.A.A. in their own numerous sports, including hockey, volleyball, basketball, softball, and lacrosse.

To complete a rounded course of studies, every sophomore without previous art experience as in previous years took Art Appreciation II one day a week. The boys took Minors IIs to become capable "do-it-yourselfers," and a large number of both boys and girls fulfilled a long-felt desire,

as well as a state requirement, by enrolling in Driver Education.

In the early fall, following an established custom, every sophomore girls' adviser room took under its wing a freshman adviser group. To ease the freshmen's first experiences in a new and gigantic school and to introduce themselves, each sophomore adviser room held a party for its "little sisters," featuring entertainment and home-baked refreshments. Though the sophomore boys realized their freshman counterparts would not have appreciated such parties, they showed their sympathy by offering to sell the freshmen elevator tickets.

The Class of 1960 certainly did its part in supporting and participating in all-school events, as well as in its own. A member of the class was in every group open to sophomores, from the smallest committee to Student Council. They not only entertained at their own parties and dances, but also acted, played, sang, or danced in many larger productions, including New Trier's plays, concerts, Lagniappe, and "Oklahoma!" With an enthusiasm more than equal to its great size, the sophomore class can anticipate a thriving future at New Trier.

786 Juniors Promise

Returning in September, the Class of 1959 found itself in a luxurious, new setting. They are the first juniors to be able to make use of the new student lounge and the other advantages provided by the completed building. The juniors inaugurated and participated in several social and scholastic "firsts" at New Trier.

The Class of '59 was the first class to take a battery of junior tests completely different from previous programs. The tests, scored electronically, were designed to show the student's abilities in verbal and quantitative areas and his achievement in various academic fields.

This spring for the first time, the Merit Scholarship Tests were given to juniors. Formerly they had been given during the early fall of the senior year. Seven hundred and fifty juniors, almost the entire class, turned out for the tests in an attempt to win financial aid and scholastic recognition.

An Advanced Study Group was formed at the request of a group of juniors in order to provide those of superior ability with courses on their own level. The group, carefully selected, began the new series of courses at the start of the second semester, receiving instruction in special English, mathematics, chemistry, and language sections.

The Class of 1959 participated in many activities that were not firsts at New Trier. They provided the additional strength necessary for the varsity cross country and the varsity and junior varsity football teams to gain Suburban League championships in their respective divisions, and for the varsity swimming team to take the state swimming title. The many other athletic teams also benefited from the support of junior class athletes.

The Class of 1959 also contributed much to the student governmental organizations. At the beginning of the second semester, members of the junior class assumed the leadership in determining the actions and policies of Student Council. Eleven juniors were given board positions and the four officers, who were elected first semester, were juniors.

Many juniors also participated in the productions of the drama and music departments. There were many members of the junior class in the cast and crews of **Oklahoma!** Throughout the year, juniors participated in the productions of the drama groups, the music department, and Lagniappe.

The junior year's activities began with the election of class officers. The election was run by the junior class adviser chairmen, Miss Frances Bredin and Mr. Roland Wehr, whose

help proved indispensable throughout the year. The voting resulted in the choice of Judy Allin, president; Lee High, vice-president; Jeannine Babize, secretary; and Bill Yager, treasurer. Assisted by the junior steering committee, they provided excellent leadership for the class.

The year's first social event was a party in the lounge, the Junior Class Ball. The efforts of the committees that planned and arranged it, the excellent entertainment, and energetic M.C.'s Bill Ade and Chris Ross made the Ball a great success.

"Getting to Know You," the annual junior girls' Valentine's Day Dance, was a turnabout held at the Glencoe Women's Library Club. The change of scene made the good food and good music seem even better.

Another big event in the junior year was the election of senior class officers in April. Although those elected do not take office until June, the choice among the candidates is one of the juniors' most important decisions. Next year's officers for the Class of 1959 will be John Kelley, president; Chris Ross, vice-president; Dee Swansen, secretary; and Dick Avery, treasurer.

Bringing the year to a fitting close was the Junior Prom, "Here's Wishing." In April planning began with seven committees hard at work. The Prom and the activities that preceded it made the junior year a full one, but the Class of 1959 can look forward to a still more ambitious and eventful senior year ahead.

The Class of 1958, the first to graduate from the recently renovated New Trier, set a precedent in leadership and academic achievement that will not be easily surpassed. The excellent senior spirit was demonstrated at all school events and was an example to the rest of the student body.

The seniors' main concern througout the year was the choice of a college. As part of their preparation for admission, the seniors took College Entrance Examination Board Tests, Advanced Placement Tests, and National Merit Scholarship Exams. Thirty-one of those tested qualified as Merit Scholarship finalists, a most impressive record. Louis Cohen, Susan Otto, James Perrin, and Marion Welch actually won scholarships. One-hundred-forty-one students made Senior Honor Society with seven semester averages of 3.20 or better.

Adviser chairmen Mr. William Gannaway and Miss Louise Hamilton assisted the class officers and steering committees in organizing class activities. The annual Christmas dances, "Arctic Oasis" and "Winterlude," were held December 26 and December 31 respectively. All arrangements and decorations for the upperclass dances were handled by the seniors.

Senior Canteens, headed by Chuck Rutherford, the other officers, and the board, provided several evenings of entertainment and dancing for seniors and their dates.

The last social activity of the class as a whole was the Senior Banquet on May 29. Graduation is June 12.

The Student Council, New Trier's chief representative organization, this year discussed, studied, and acted upon many of the most important problems of the school and student body. Under the leadership of President Mike Coffield, Vice-President Larry Dunlap, Secretary Dave Watts, and Treasurer Bill MacLean, and with the aid of Mr. David Gustafson and Mr. Jack Bird, faculty sponsors, the '57-'58 Council accomplished such things as the opening of the new student lounge, the changing of the senior representative system, the establishment of provision for election of study hall supervisors, the initiation of a new plan for use of parking facilities, the emphasizing of a revised Code of Ethics, the change of the voting requirements for the Honor System, and the incorporation of Pep Club into Council as a new board position.

Al Harris's and Nancy Heilman's Study Hall Department handled the tremendous job of administering ten study halls each period of the day for both semesters.

The Honor Committee, headed by Joe Lundy, promoted understanding of the principles and bases of the Honor System. Pledge cards were placed in all the rooms of the new building.

Tom Rohlen headed the Recreation Committee which worked on the Halloween party and sponsored gym-jams. He was also in charge of the

Bob Davenport and his Safety Committee had the important job of devising and putting into effect a system of stickers for the parking areas available around the school.

Lou Cohen, leading the Special Activities Committee and the library monitors and supervisors, took over the huge job of supervising the new library.

The Lunch Hall Committee, headed by Jim Swartchild, put on a concentrated drive to keep the lunch hall clean, emphasizing the idea that every person has a duty to see that it works properly.

Sarah Anderson single-handedly took on the job of doing the secretarial work for the Council and of keeping the Council office in respectable condition, a none-too-easy as-

With its motto "Be friendly" as the theme of all its many activities, Girls' Club has occupied its spacious new quarters between the Tri-Ship and Council offices to create new enthusiasm and bring about more joint projects with Tri-Ship.

Girls' Club began its highly active season in September with the Freshman-Senior Party to introduce the freshman girls to the complex life at New Trier. Later in the fall G.C. established a widely acclaimed precedent, a party with Tri-Ship for new girls and boys. Setting the mood for Christmas vacation was one of the Girls' Club's several delightful and unusual assemblies—a Santa's workshop scene. Next on the schedule was "Friendly Week," ending with the Friendly Banquet. A highlight of the second semester — "Famous Last Words," the Mother-Daughter Dinner held in March — displayed the phenomenal talents of both moms and daughters in fifteen superb acts.

The first fund-raising project of the Girls' Club was a most successful sale of food and drinks to the hungry spectators of the New Trier football games. Then came the club's magazine subscription drive which grossed $25,000, the profits going to the Girls' Club Scholarship Fund. The Clothing Drive, held jointly with Tri-Ship, also succeeded in reaching its quota of more than 34,000 pounds. During the holiday season, Girls' Club members worked to supply needy families with Christmas dinners, and to gather season's greeting cards for the children at County Hospital. In March came the United Fund drive, including a massive all-school car wash. The last event of the year was the Spring Project—a luncheon followed by a fashion show.

During the 1957-1958 school year the New Trier Boys' Tri-Ship Club continued to perform its services for the school and to provide through its fund-raising activities scholarships for deserving boys. Directing all of the Club's activities was President Randy Miller, assisted by John Hust, vice-president, who also acted as chairman and director of the senior class representatives. Secretary John True was responsible for keeping minutes of board meetings and for all the Club's correspondence. Treasurer Ed Sellers took on the tremendous task of keeping the books straight for drives, dances, and Lagniappe. The treasurer's records must be especially accurate because Tri-Ship is incorporated under Illinois laws.

Along with the officers, the board members and representatives worked hard during this, Tri-Ship's thirty-third year, to help the Club promote its three important principles: citizenship, fellowship and sportsmanship. Every boy was encouraged to become, first, a contributing citizen who willingly offers his services and greatest efforts whenever they are needed; second, an example of good fellowship who is always considerate and alert to find ways of helping others; and third, a good sport, who accepts his defeats without resentment and victories with humility.

The two big all-Club projects of the year were the clothing drive and the United Fund charity drive, both of which were sponsored cooperatively with Girls' Club. In November the goal for the clothing drive was set at 33,750 pounds, the combined weights of the four championship football teams. The collected clothing was sent to the Save-the-Children Federation, which distributes clothes to needy children all over the world. In March Tri-Ship joined the drive for the United Fund and reached the goal of $3300, approximately $33 per adviser room. On Saturday, March 29, a car wash helped to meet this quota.

Aiding the officers of the Club were the fourteen department heads, members of the executive board. The Service Chairman, Frank Johnson, carried out two important duties of managing the door guards and running the employment service, which offers boys job opportunities.

The Public Relations Department, headed by Hal Jennings, publicized Tri-Ship's many activities in local papers and the **New Trier News.**

The tremendous job of directing the Traffic Squad was handled by Angus Duthie. The boys of the squad direct traffic not only before and after school every day during the year, but also at most of the school's major events, and are responsible for automobile and pedestrian safety around the school.

Pete Sullivan, Clubroom and Charities Chairman, was responsible for the clothing and United Fund drives, and for keeping Tri-Ship's busy new office in order.

The Dance Committee, under Mike Jackson, took charge of providing decorations, selecting the band, and seeing that everything went smoothly at the Tri-Ship dances. The February 22nd dance, Showdown, which featured recording artist George Hamilton IV, was one of the highlights of the year.

The Ticket Committee, headed by Dick Williams, handled the very detailed job of assigning and distributing tickets for Tri-Ship's many events and for the opera.

The three-year old board position Arrangements was headed by Chuck Sethness and included the planning of homecoming and other odd jobs.

Heading a board position new this year was Tim Elliott, president of "N" Club. As a part of Tri-Ship, "N" Club is now available for service to the school.

The junior and sophomore class chairmen, Steve White and Chuck Powell, served as the main link between their class representatives and the executive board of Tri-Ship.

Advising and encouraging the officers and board members throughout the year were the eight hard-working Tri-Ship sponsors: Mr. Lightner, Mr. Frantzen, Mr. James, Mr. Jensen, Mr. Kelly, Mr. Rude, Mr. Esarey and Mr. Clark.

Lagniappe Features

Tri-Ship's most important and exciting fund-raising project is Lagniappe. On January 22 the cannon roared as the curtain rose on "Keep the Change." "KTC" was the product of nine months of planning and rehearsing by the board, cast, and crews. This year the load was considerably lightened by the completion of the new auditorium, eliminating the daily trek to Glencoe and the unsatisfactory working conditions. The new possibilities in stage craft also proved to be an extra challenge.

The story, a twentieth century fable, concerned a group of American millionaires, visiting Paris, who determine to help the French by buying up their war surplus. There are complications and a near revolution, but the ending is happy and the French are invited to "Keep the Change." Special features were the original musical score, the fine technical work done under Rich Landfield's direction, and a new dance unit and original choreography brilliantly handled by Dance Director Marilyn Pfeifer.

Sue Lindberg and Bob Moreen were chosen "Beefeaters" this year for their unselfish contributions to the show's success. Pete Sullivan and Wally Moses did an excellent job with the chorus and orchestra; the rest of the board did equally good work with their respective jobs. All Lagniappe's personnel owed their thanks to sponsors Mr. Kelley and Mr. Rude for their advice and encouragement and to directors Dave Lelewer and Bill Lietzow, who proved that "Fifty Million Frenchmen Can't Be Wrong."

Taking advantage of the expanded physical education facilities, New Trier girls participated in an extensive program of intramural sports and Girls' Athletic Association projects. Under the leadership of President Mary Stuebner, Vice-President Nancy Voigt, Secretary Ann Bradley, Treasurer Sally Haines, and Sponsor Miss Keating, new life was added to G.A.A.'s program to offer a year of wholesome, healthful and exciting sports.

The intramural sports program is sponsored by the Girls' Physical Education Department with the assistance of G.A.A. Miss Wheeler, faculty chairman of intramurals, worked with Huntley Goldsmith to coordinate all the sports. The intramural bulletins, bulletin boards and publication featured adaptations of Dr. Seuss characters done by Karen Swanson, head of art.

INITIATES SWALLOW PRIDE FOR G.A.A.

Service Ann Sedwick and her assistant, Marjorie De Rocco, on the year's other G.A.A. services, including the indispensable Page Girls.

Publicity for G.A.A., including **Echoes** work, was handled by Marion Welch. Mary Michel, assisted by Christina Ross, planned the year's two banquets and the other social activities.

At the Frosh-New Girls' party during the first week of school last fall, Linda Harris, head of membership, and Nancy Wilson, assistant, met many of the girls who were later initiated into G.A.A.

Initiation proceedings got under way February 7 with an assembly in the stage gymnasium. Skit group meetings, the initiation masquerade, and the memorable early-morning calisthenics session led to the formal Initiation Banquet on February 20.

The biennial water ballet, "Rainbow Ripples," was presented April 19 under the joint sponsorship of the Girls' Physical Education Department and G.A.A. Elizabeth Schmidt, head of swimming, and Trudy Wyss, head of Pool Guard, worked with the faculty, the G.A.A. board, the Pool Guard and the swimmers and committees to produce a skillful demonstration.

Records of the points for all sports were kept in the new Kardex file by Nancy Voigt and her vice-president's committee. On the basis of these records, 43 300-point, 13 700-point and 7 1000-point winners received awards at the winter assembly. Many more awards were presented at the spring assembly, which preceded the Spring Award Banquet, the climax of the year's functions.

With added gym space this year, the intramural instructors and G.A.A. experimented with several new sports. One was advanced hockey under the student direction of Mary Fine and the faculty leadership of Miss Wheeler. Other hockey events were the fast exhibition game between the Welsh Touring Team and the North Shore Field Hockey Association team on October 22 and the hilarious annual contest between the varsity football team and the girls' senior hockey team.

Catherine Wolf, assisted by Diane Doke, directed the adviser room soccer tournament, won by Mrs. McElhatton's room. Susan Carpenter was the head of tennis, while Lee Ward and Georgianne Luecker directed riding.

Seniors participated in two new sports this year, figure skating and fencing, while tumbling and recreational games also proved popular under Betsy Taylor and Joan Lacey, respectively. The dancers, headed by Laverne Lechner and her assistant, Katherine Howard, concentrated on group choreography.

Many participated in volleyball and basketball games during the winter. Mrs. I. Anderson's and Miss Obara's freshman teams, Miss Purdum's sophomores, Miss Patterson's and Mrs. Gwynn's juniors, and Miss Lennards's seniors emerged victorious in the adviser room volleyball tournament, set up by Sandra Townsend. Geraldine Crean was the head of basketball in which Miss Bahr's and Miss Strasma's freshman teams, Miss Nelson's and Miss Powell's sophomore teams, junior squad three, and Mrs. Wing's seniors were the tournament winners. The senior first class team, undefeated in the lively class tournament, were the champions.

Several outdoor sports were resumed during the spring. Riding continued as in the fall. This spring Susan Carpenter divided the tennis tournament into three divisions of skill to make competition more nearly equal.

Banquet Closes Year

Lacrosse and archery returned this year under the student supervision of Lorna Wilson and Janet Siebel, respectively. In archery, open to all classes, a spirited adviser room tournament was held. The softball tournaments under the supervision of Mary Rainey were well attended and very exciting.

Joan Weinberg, head of officials, and Virginia Byington, head of timers and scorers, directed their staffs throughout the year.

With the completion of the spring tournaments, the Girls' Physical Education Department and G.A.A. marked the end of a successful year's intramural program, through which New Trier girls received the opportunity to participate in a wide range of after-school sports and to take part in the varied projects of the Girls' Athletic Association.

Varsity In 3-Way Tie

ELLIOTT AROUND END

Led by co-captains Frank Johnson and John Hust, the New Trier varsity football team gained a three way tie with Waukegan and Evanston for the Suburban League championship.

The three teams finished their seasons with league records of six wins and one defeat. It was the first S. L. championship since 1954 for the Indians, who were coached by Mr. Walter J. Aschenbach and his assistants, Mr. H. D. Caton, Mr. E. G. Ellis, and Mr. E. A. Weingartner.

The Green Wave opened their season with a surprising 46 to 20 rout of Harrison. In this game George Bell scored the first six points of the 198 that New Trier collected during the season. The following week fine line play helped them beat a stubborn Niles squad 28 to 0 and to register a victory in their first S. L. contest of the year. A last minute jump pass from Tim Elliott to Pete Boysen enabled New Trier to come from behind to squeeze by Oak Park 12 to 7. Highland Park was the next victim, but they bowed a little more easily, 46 to 0. Elliott paced the scoring in this game with two touchdowns. Homecoming was a happy event for New Trier partisans as the varsity overpowered Morton 39 to 7.

On the following Saturday, the Indians lost a heartbreaker to Evanston, 13 to 7. In the final seconds of the first half, New Trier penetrated to within inches of the Wildkits' goal line but could never quite produce a second touchdown. Jim Bartell, Randy Miller, Boysen, and Hust all played a great defensive game. Without a doubt the highlight of the season was the 32 to 7 beating handed to previously undefeated and unscored upon Waukegan. N.T. continuously ripped the Bulldogs' line to shreds and backs found wide holes to go through for long runs. The Indians scored four touchdowns in the third quarter to turn a close first half battle into a 34 to 7 scalping of Proviso in the final game. Against Proviso, Johnson scored three touchdowns, marking the third time during the season that he had accomplished this feat. This raised his season's total to 66 points and made him the leading scorer in the Suburban League.

Willie Soeldner did a fine job of kicking extra points throughout the season, and Johnson did the kicking off.

Johnson, Elliott, Miller, and Boysen made the S. L. first team. Hust, Bartell, Ken Wilkey, and Wolf Dietrich placed in the second squad. Dick Bernstein received an honorable mention.

With ten of 1957's varsity letter winners returning next year, the football outlook is bright. These juniors are Lee Bateman and Dick Bernstein, next year's co-captains, and Al Caskey, Wolf Dietrich, Tom Frank, Bob Herbert, Ned Mason, George McCabe, Steve Merrick, and Tom Seng.

Commented Head Coach Aschenbach about the 1957 team, "The boys had a great desire to win, and although they were not as good physically as last year's team, they won by playing together as a team."

A TOUCHDOWN PASS FOR THE SOPHOMORES

The sophomore football team defeated Proviso 20 to 6 in the final game of the season to win the Suburban League title. New Trier finished with a 6-1 record while second place Proviso boasted a 5-1-1 mark. The Ponies were captained by Bill McGuire and Don Haider, and coached by Mr. Chuck Lauer.

The sophs defeated Niles 21 to 0 to open the season, as Wally Wilkey and Marshall Goldberg each tossed long touchdown passes. Then they toppled Oak Park 25 to 6 in a game that was highlighted by McGuire's long touchdown run with a blocked punt. The following week Highland Park handed the Ponies a surprising 34 to 6 upset, as New Trier was without almost its entire first string backfield.

The Ponies bounced back to celebrate homecoming with a 20 to 6 romp over rugged Morton. Two fourth quarter touchdowns by Dick Mandel provided the winning margin. Three first half touchdowns by Conrad Will helped the team humble Evanston 27 to 6. Jim Rome's 75-yard pass interception paced New Trier to a 26 to 12 victory over winless Waukegan. Wally Wilkey scored twice to help beat Proviso in the all-important season's finale.

"The team had the most heart since the 1948 squad, who were also outclassed physically, but also went on to win the championship," said Coach Lauer.

Under the able guidance of Coach Peter Frantzen and Captain Don Birney, the junior varsity football squad furthered their string of seasons without defeat which was started in 1955. The season's disappointment was the 20 to 20 tie with Proviso in the final game. The JV's, who averaged 18 points a game, breezed past Oak Park and Glenbrook in the first two games. Morton and Proviso proved to be tougher opponents, as each lost by only a touchdown. A last minute 54-yard touchdown run on a double reverse by Bill Lederer helped New Trier squeak out a 7 to 6 triumph over Waukegan. Proviso finished second in the league with a 2-0-1 record.

As in other years, the freshman "A" team won the championship. Coach Robert Malinsky's boys piled up 169 points in seven games on their way to an undefeated season. The 12 to 0 victory over Niles and the 13 to 7 win over Morton proved to be the only close battles of the year. Highland Park, whom they had beaten 24 to 0, finished second. After losing the opener to Niles 13 to 0, the "B" squad came back with four shutouts over their next four opponents for the undisputed championship.

New Trier's varsity basketball team went through the season with a 5 won and a 9 lost record to wind up in sixth place in a highly competitive Suburban League race. In overall season play, excluding the state regional game, they compiled a 10 and 10 record, beating Riverside and losing to Maine in preseason tilts, and winning the Pontiac Tournament with a 4-0 record. This invitational contest, which the varsity won by beating Flora, Alton, Bradley and finally Princeton, was the high spot of the season, for it showed that, without the bad breaks and injuries of the Suburban League competition, the team would have completed a much more successful year.

This year the varsity and junior varsity teams worked together as one squad although they played separate schedules. The season opened with Bob Ortegal, captain; Vance Etnyre, Dee Wing, Sheldon Erikson, Nelson Lehman, Wolf Dietrich, and Pete Miller working at forward; Tim Elliott,

Skip Willauer, John Kearney, Mike Gessel, Dave Davis, Steve Merrick, and Bob Jeffers at guard; and Dick Williams, Jon Sauer, Frank Cassell, and Bob McNeill at center. Four returning lettermen were Ortegal, Elliott, Willauer, and Williams. Captain Bob Ortegal led the league in scoring for a good part of the season but because of injuries was passed by Wendell Johnson of Proviso.

The varsity's new coach this year was Mr. Tom Nisbet, formerly of Thornton High School. Mr. Nisbet had coached at Thornton for ten years before coming to New Trier and compiled an impressive record. Last year his team finished second in the South Suburban conference. Assisting Mr. Nisbet was Mr. Jerry Morgan, also new this year.

The junior varsity team, playing a shorter schedule than the varsity, earned an all season score similar to the varsity's Suburban League record, winning five and losing eight. The Suburban League season tally was 3 and 8, and the J.V.'s lost their one preseason game to Barrington, 55 to 99.

At the annual basketball awards banquet in April, juniors Vance Etnyre, Dee Wing, John Kearney, Sheldon Erikson and Frank Cassell were varsity letter winners along with seniors George Metzger and Jon Sauer.

Sophs Third in League

The sophomore basketball team, coached by Mr. John Jacobson, completed a successful 1958 season by compiling an eight won and six lost Suburban League record to finish third in the league. For the entire season the team's record was ten and six, Riverside and Maine being beaten in two preseason tilts by scores of 55-47 and 42-36, respectively. These two non-league victories were followed by a disappointing loss to Evanston in the regular season opener by a score of 49-37. This setback was followed by four straight victories over Morton, Niles, Oak Park, and Highland Park. Next came two losses to Proviso and Waukegan and another four straight victories, this time over Evanston, Morton, Niles, and Oak Park. The season closed with three losses, the last being a heartbreaker to Waukegan, 33-32. Although they finished third in the league, the sophomores showed great spirit. Competition, moreover, was especially tough this season with Highland Park and Proviso tying for first with identical records of 12 and 2.

The two freshman basketball teams, the "A" squad and the "B" squad, finished in first and second place, respectively, in the Suburban League. Under the leadership of coach Mr. Roy Etnyre, the "A" squad compiled an impressive 10-2 won-lost record to cop the Suburban League title. The season opened with a close non-league contest with Barrington which the frosh lost, 43-42. The only losses during conference play were to Proviso and Waukegan.

The frosh "B" team, coached by Mr. M. Esarey, completed a very successful season with an 8 won and 2 lost record, finishing second in the Suburban League.

Both the "A" and the "B" squads did exceptionally well in the Suburban League this year and gave great promise of success in the three years ahead.

The varsity lost only one meet throughout the season, that one being to Evanston in December, 48 to 38. They later lost the Indian Relays to the Wildkits also. The Indians then came back to win the Suburban League meet 74 to 71½ and tie Evanston for the Suburban League title.

At Evanston in the state meet, N.T. was victorious over the same Evanston team, 68½ to 61. Wolf won both the 400 free and the 100 back. Brackett won the 100 butterfly and finished second in the 150 individual medley. Others who placed in some event were Pete Heitman, John Kovas, Chip Laird, Martin, Don Merz, Jerry Reilly, and Jack Slaughter.

The sophomores won all their league contests and beat Highland Park in the league meet, 92½ to 72½. S.L. champions were Dave Hoiles, Ron Kovas, Tom Sawyer, and Pete Pettigrew. The freshmen also remained unbeaten, and they downed Evanston in the league meet, 89 to 86. J. D. James and Fred Schmidt were the only individual winners.

The varsity wrestling squad, hampered by injuries throughout the season, finished fourth in the Suburban League. Captain Jim Blake and Head Coach Mr. Al Hurley led the team to a seven and six season's record. Mr. William Zanetakos was assistant coach.

After suffering the worst defeat in N.T. history to Reavis, 30 to 14, the matmen bounced back to win four in a row before losing to Maine, 22 to 19. After finishing the S.L. season with a four and three record, N.T. qualified ten wrestlers in the district meet. They were Lee Bateman, Ken Behm, Jim Blake, Mike Dunne, Les Herschinow, Luke Hiken, Ned Mason, Chuck McConnell, Carl Schaefer, and Tom Stossell. Of these Bateman, Behm, Blake, and Herschinow qualified for the state meet in the sectionals. Waukegan, conqueror of N.T. earlier in the season, won the state meet. Bateman and Mason were named as next year's co-captains at the banquet at the end of the season.

The J.V. team won one, lost one, and tied one in their three-meet season.

The sophomore wrestling team tied Morton for first place in the Suburban League. A win over Waukegan, 26 to 21, in their final league contest of the year enabled the grapplers to gain a share of the title.

The sophomores won all six of their non-league matches, the hardest being a close 26 to 22 decision over Reavis. They suffered their only loss of the season to Morton in the S.L. opener, 27 to 18. After that they won their next six league meets fairly easily.

The coach of the sophs was Mr. Ken Wellington. Connie Will, who wrestled at 154 pounds for most of the year, finished the season with a string of 12 straight wins.

The freshman team lost four out of their five meets. Their only win was a 29-19 decision over Waukegan.

CAPTAIN NED ELLIOTT WITH COACH ALMAGUER

The cross country team fought back from a bout with the flu to whip Proviso in their final meet of the season and to win the Suburban League championship.

Coach Ben Almaguer and Captain Ned Elliott led the harriers to a winning 6-0-1 season in the Suburban League. New Trier defeated Niles 15-48 in the opener and then gained victories over Oak Park and Highland Park by identical 15-50 scores. Against Oak Park, Captain Elliott was timed in a record shattering 9:12 time over the 1.85 mile course at Skokie Playfield. It was eighteen seconds faster than the 9:30 record he set as a junior.

Elliott took his fourth straight first place as N.T. toppled Morton, 18-44, but he caught the flu and missed both the Evanston meet, a 28-28 tie, and the S.L. meet, won by Proviso. N.T. was second in the League meet.

N.T. failed to qualify a single man for the state meet because of the flu epidemic.

In their final meet the harriers beat a strong Proviso team, 26-30, for the S.L. championship. A few days later Proviso won the state championship.

Mr. James McFadzean's frosh-soph team tied for 4th place in the Suburban League with a 3-4 record.

FORD TAKES A PRACTICE START

New Trier's varsity outdoor track team, strong in both track and field events, participated in three relays—New Trier, Waukegan and Mooseheart—during the 1958 season, as well as in State and Suburban League competition later in the year. The Indians took their first meet at home with a score of 53½, surprising Maine and Evanston with scores of 51½ and 45, respectively. The meet was held on April 19. On April 26 the team placed second in the Waukegan relays with a score of 80½, finishing behind Oak Park's 93½. Under the leadership of co-captains Ned Elliott and Chuck Douglas and the fine coaching of Mr. John Nay, Mr. Peter Frantzen and Mr. Ben Almaguer, New Trier's track and field men finished second behind a strong Bloom team in the state meet on May 17. Zach Ford tied the state record for the 100-yard dash at the Evanston district meet with a time of :09.6.

The frosh-soph team beat Waukegan 80 to 38 in a dual meet on April 17 and two days later took a three-way meet from Evanston and Maine. Later the team racked up another three-way win over Highland Park and Waukegan.

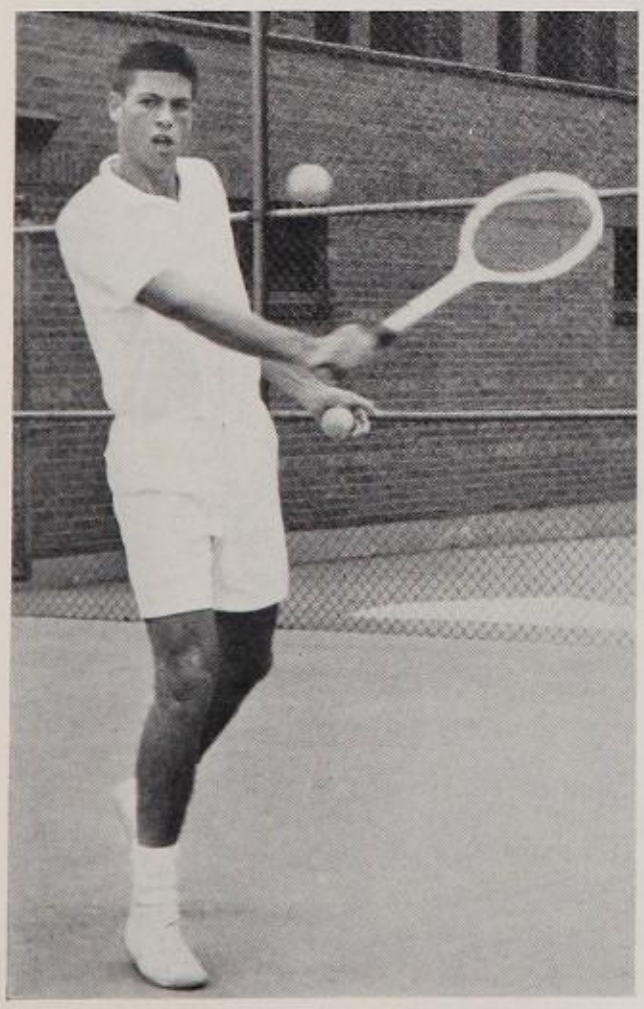
FIRST SINGLES MAN DICK WILLIAMS



Returning to lead the varsity tennis team of 1958 were letter winners Dave Watts, Tom Rohlen, Herb Phillips, Bob Appel, and Dick Williams, all of whom are seniors. The season's opener was a match with Arlington Heights in which New Trier emerged victorious by a score of 3 to 2. The varsity won both of their next two matches by a score of 5 to 0, beating Lake Forest and Maine. The first defeat of the year was suffered at the hands of a strong Hinsdale team, 4 to 1. The regular Suburban League season began very auspiciously with three wins over Proviso, Highland Park, and Niles, each by a score of 5 to 0. These were followed by a 4-0 win over Maine, a 5-0 loss to a strong Evanston team and another loss to Hinsdale, 3 to 2.

With the season more than half over at press time, the only apparent handicap from which the team suffered was a lack of match play experience. Prospects look bright in this respect, however, because of several sophomores on this year's varsity.

The new coach of the varsity team this year was Mr. H. Davis and the captain was Dave Watts. Playing first singles was Dick Williams, followed by Dick Avery and Mike Belknap. The first and second doubles teams were Fitzgerald and Watts, and Rohlen and Seiberling, respectively.

The sophomore tennis team had compiled a 7, 1, and 2 record at press time, winning three Suburban League Matches and losing only one. Charles Phillips played first singles for the sophs followed by Jerry Magner and Tom Silfen. Eiseman and Sweet made up the first doubles team. Other boys on the team were Steve Gaber, Wally Jones, Ron Kovas, Andy Lindblad, Hal Migel, Bill Rice and Willoughby Welling. The coach of the sophomore team was Mr. E. Kahler.

Golfers 4th down State

The varsity golf team, led by seniors Ty Porter and Bob Schmid, veterans of last year's state tournament at Champaign, and by junior John Chamales, finished fourth in this year's state competition on May 16. They opened regular season play by beating Hinsdale, 16½ to 7½. Other wins followed over Palatine, Niles, and Hinsdale in a return match.

During the season the team lost twice to Joliet Catholic, who later won the state championship. Although the New Trier team did not win the district qualifying meet on May 9, they were able to send a strong team down state. In the competition at Champaign on May 16, the team compiled an aggregate score of 641 to finish fourth in the state. Coaches are Mr. Fearheiley and Mr. Leverentz.

At press time the frosh-soph golf team had played only two matches, one with Palatine and one with Niles. They won the first by a score of 9 to 1 and the second, 8 to 2. The coaches are Mr. C. Carlstrom and Mr. C. Grater.

Absent: Herbert, Zimmermann, Thornton.

Built around a core of five returning lettermen, the varsity baseball team had chalked up a 6-10 won-lost record for the season when **Echoes** went to press, winning four and losing eight in league competition. Alternating pitching and first-base duties for most of the season were George Bell and Bob Ortegel. Bill Reno took over the catching chores early in the season with Tim Elliott at second and Captain Skip Willauer at third. Mike Gessel took over at short when Reno moved to catcher. The outfield was covered by Denny Wagner, Bob Herbert and Wally Krueger. Varsity coaches were Mr. Lightner and Mr. Hartbarger. The team won the district by beating Evanston and Highland Park by scores of 9 to 7 and 9 to 6, respectively. The sectionals were played on May 19 and 20.

A large sophomore baseball team, ably coached by Mr. Larry Irwin and Mr. Ted Cramlet, began practice in the middle of March for the first game of the season on Saturday, April 12, at North Chicago. The team's preparation was well rewarded as they took this non-league contest by a score of 4 to 1. On the following Saturday, April 19, they opened their Suburban League competition with a win over Proviso, 8 to 6. On Wednesday, April 23, the Ponies played a non-league contest away at Evanston, which, although it proved to be their first loss, was an extremely close game, 5 to 4. In another Saturday morning game, this time on April 26 at Niles, the sophs lost again. The Trojans scored all of their four runs in the first inning and then managed to hold New Trier to two runs during the rest of the game. As **Echoes** went to press, the sophs had beaten Waukegan, Morton, Oak Park, and Notre Dame, and had lost to Highland Park. Although the Ponies have had only a short time to display their ability, they seemed most capable of improving upon their 4 and 3 Suburban League record.

The thirty-four man freshman baseball team, divided into the "A" and "B" squads, were greatly hampered during the 1958 season by their lack of playing experience. The "A" squad, coached by Mr. Calvin Lill, began the season with a disappointing loss to North Chicago there by a score of 7 to 1. In the Suburban League opener with Proviso, the frosh again lost, this time by a score of 11 to 2. In a close game at Evanston, the team suffered its third straight loss, 9 to 8. The remainder of the season was more successful, and by press time the team had compiled a 3-5 League record.

The "B" squad, coached by Mr. William Zanetakos, had only two games on their schedule this year. The first game, which was played at home against Niles, fell to the "B" squad, 6 to 4. They lost the second game to Niles, 17 to 6.

IM Program Expands

Intramural Sports completed its second year as a student supervised organization with a sizeable increase in participation. The IM board was comprised of three seniors and five juniors. The seniors were Head Manager Burt Vision, David Stern, and David Sutton. Pete Gingiss, John Holditch, Eric Knowles, Jay Berkelhamer, and Jay Heitman were the juniors. Each boy was in charge of approximately three sports during the school year. The director and inspiration for these boys was Mr. Fred Barney. Under him in two years the Intramural staff has grown to thirty-five boys.

Many changes marked this year as a very significant one for the IM department. These were made in a never-ending attempt to create more interest on the part of the boys competing in the program. The most noticeable alterations were (1) elimination of forfeits, (2) abolishment of fines, (3) revisions of entrance procedures, and (4) relaxed eligibility rules. These policies were put into operation at the start of the second semester and proved to be very popular.

Touch football started off the IM season. Peterson's, Brown's, Vernon's and Ude's groups emerged from the stiff competition as class champions. Mr. Ude's senior adviser room was the eventual winner of the school championship. The fall golf tournament determined that Jim Bronner, Ron Oguss, Dave Forrester, and Lloyd Flodin were class winners. singles matches were won by Bill Rice. David Komiss won the sophomore title. There was a tie in the senior division between Alan Levine and Peter Reichl. In the doubles tournament Bill Reno and Bob Schmid were victorious. Horseshoes winners were freshman Ed Steinman, sophomore Bruce Yurman, junior Matt Stork, and senior Ted Aldous.

The basketball tournament ran over a period of three months this year. Mr. McFadzean's junior adviser room came from behind in the second half of the championship game to defeat Mr. Condon's senior champs. In the consolation game Mr. Robertson's sophomores won in a sudden death overtime from Mr. Landwer's freshmen.

The IM handball tournament was quite successful this year because of a large turnout and much enthusiasm. The freshman champion was Larry Beckman; the sophomore title was taken by John Murdock; Dave Delander took the school and junior championships; and Frank Sullivan captured the honors in the senior class. Alan Levine, the senior individual table tennis champ, defeated Sheldon Zimmerman, the freshman winner, for the school championship. Charles Phillips and Rich Portes were the sophomore and junior class champs, respectively.

JUMP BALL!

Probably the most successful sport of the year was volleyball. In three short weeks ten league champions emerged. This number was narrowed down to four, the class champions. Mr. Malinsky's adviser room won the school championship. A surprising second was Mr. McKendall's sophomores who beat Mr. Clark's senior winners and even took a temporary lead in the third and deciding game for the school championship. Mr. Irwin's adviser room took the freshman honors.

Another sport during the year was indoor track, in which the adviser rooms of Mr. Labadie, Mr. McGee, Mr. Fearheiley, and Mr. Ude were class winners. There was also the basketball free throw contest with a three-way tie for first place. Sophomore

John Raynor, junior and defending school champion Jay Heitman, and senior Jerry Fleischman all made 43 out of 50 tosses. Jim Bronner was freshman victor with 40 throws out of 50. About 260 boys entered the event.

The final two team sports were handball and table tennis. These sports were also run on an individual basis earlier in the year. Two singles and one doubles match determined the winner. Team handball champions were Mr. Wellington's freshmen, Mr. McKendall's sophomores, and Mr. Fearheiley's juniors. Team table tennis winners turned out to be the adviser rooms of two physical education instructors and one athletic coach. They were the teams of Coach Etnyre, Mr. Robertson, and Mr. McFadzean, respectively, from freshman to junior. There were no senior tournaments held in either sport.

School wrestling champs were decided in twelve different weight divisions from 95 pounds to heavyweight. Victors were Eddie Mack and James Pick, Richard Straus, John Gaarde, Arnold Kushner, Robert Manchester, and Charles Moore. Other winners were John McDaniel, Frank Brown, George Bell, James Bartell, Alan Caskey, and George McCabe. Approximately 200 boys participated in the tournament.

Spring sports included badminton, gymnastics, softball, Franklin Meritt tennis, and the second annual IM bike race.

At last tabulation the point leaders were Etnyre's freshmen, Mr. McGee's sophomores, Mr. Fearheiley's juniors, and Mr. Boyle's seniors.

STAFF CONFERENCE ON ART POLICY

The Class of 1958 will be the first to graduate from the newly completed addition to New Trier. For this reason, the staff chose the new building as the unifying theme for **Echoes of 1958** with pictures of the building featured on division pages and on the cover. Since last year's book won an All-American rating, the '58 staff set out to reach the same goal.

In producing **Echoes of 1958,** the staff's primary purposes were to provide recognition for service, to present the story of the year, and to create a book worthy of New Trier in all ways.

In accordance with the wishes of most of the student body, a snapshot section was included in this year's book to bring the total number of pages to 176. The building section was replaced by division pages. Separate sections were set up for the seniors and for the music and drama departments.

Features New Building

The **Echoes** staff, along with many other organizations this year, found itself in a new location. Everyone forgot the austere atmosphere of the field house, the former location of the **Echoes** office, as all became accustomed to the clean, bright, spacious, and, for the most part, organized new office in the basement of the new building. The propinquity of the photo lab, with complete picture-making equipment, made life much simpler.

Along with the new facilities came a new sponsor for **Echoes** this year. Miss Edith Bean took over the huge task of sponsorship from Mr. R. E. Wilson.

Taking care of scheduling pictures and "Bernie Days" was Harry Meislahn, Managing Editor. Beck Brown and Janet Hartke did the art work. The cover design, an original water color, is Becky's work. Dick Donat handled subscriptions and scheduling of senior pictures. Barb Gibson was Write-up Editor. Dave Mitchell and Jim Reeves were heads of photography, and Sharon Wilson handled typing and manuscript checking. Joe Lundy was Editor-in-Chief.

All-American Rating

Again in 1958, the **New Trier News** was acclaimed one of the top high school newspapers in the country as the National Scholastic Press Association granted it an All-American award for the fourth consecutive year. Under the guidance of its sponsor, Mr. R. R. Boyle, the **News** received special recognition for editorials, features, news coverage, and photography.

This year proved to be the most controversial in **News** history as a result of the editorial campaign dealing with "Individualism, the Mark of Education," and featuring correspondence with college presidents throughout the country and a "depth poll" originated for tse **News** by motivation research expert Mr. Louis Cheska.

Coordinating the campaign, news coverage, and the technical aspects was Editor-in-Chief Quarnstrom. The news collected by junior reporters was arranged by News Editors Sand and Phillips, assisted by Andi Weiss. Associate Editor Dorfman and Managing Editor Riley helped with the editorial policy. Riley also handled the photography. The editorial and feature pages were supervised by Feature Co-Editors Forsberg and Jennings. Riley and Jennings managed the two weekly columns, "Under the Tower" and "Bunk." Assisting with features were Madeline Tasky and Art Editor Frank Miya.

Maryellen Gale, Copy Editor, received credit from the N.S.P.A. for her work in re-write. Jim Perrin and Ken Wilkey covered sports. The business and financial affairs were handled by Joe Fell.

New Trier's new building program blessed the photography department with some excellent new facilities this year. Five rooms in the basement now house much new equipment, including stainless steel sinks, a negative dryer, a print dryer, and several enlargers. There are darkrooms for processing color film and for **Echoes** work.

Not only are the photographers happy with their new quarters, but the much-photographed student body found the photo lab's atmosphere considerably more agreeable than that of the field house where adviser room pictures previously had to be taken. Wayne Benjamin and Pete Topaz tolerated the early-morning eccentricities of freshmen, sophomores, and juniors for the four-month series of adviser room pictures.

Jim Reeves and Dave Mitchell were in charge of all **Echoes** photography. These boys and their staff spent many hours processing more than a thousand pictures.

Echoes work makes up only about a third of the total efforts of the photography service, however. The advanced students are responsible for pictures for the **News** and for school publicity. Sponsor Mr. Donald Smith kept everything running smoothly.

INKLINGS STAFF

Top row: Rosenthal, Martin, Cohen, Muller, Drell, Levin.
Bottom row: Weiss, Mora, Mr. Lehman, Brown, Moore, Cohler.

STAFF MEMBERS EDIT MATERIAL

In 1958, **Inklings** again served as a means of giving recognition to outstanding creative writing, both poetry and prose, by New Trier students. As in the past, the group attempted to seek out and publish material which was not only mature and representative of high intellectual achievement, but also thoughtful and comprehensible at the high school level.

Under the guidance of Editors Viana Muller and Louis Cohen and Sponsor Mr. N. S. Lehman, the staff held meetings at which contributions and plans for design and content of the magazine were discussed. The annual publication served for many students as the culmination of a year's efforts in the field of creative writing. Again this year **Inklings** contained drawings and sketches to balance the written sections of the magazine. Art Editor Becky Brown and her staff chose as the central theme of the art work "Insect Life." They submitted a number of clever original drawings to enhance the effect of 1958's **Inklings.**

The chief goal of the staff was to present to the school and to the public in general a representative collection of the best literary efforts of New Trier and to provide for the students an outlet and showcase for their talents in the field of creative writing. The readers of **Inklings** of 1958 would undoubtedly agree that this goal had been most successfully attained.

Mr. Lehman also continued his project, started last year, of meeting with all students interested in creative writing to help them with their writing problems. Many students had a chance to continue the engrossing experience under expert leadership. Thus, those students enjoyed the privilege of personal tutelage.

Playback Independent

During the five years since the first Playback appeared, the organization has undergone numerous revisions. The 1958 staff felt that this year the record needed to cover an even greater variety of activities. They worked for new heights in sound quality, content, and distribution. To reach these goals, first, Playback obtained an office of its own. Second, Playback became a separate organization from **Echoes** and thus gained control of its own funds. Third, the price of the record was increased fifty cents in order to cover costs and to purchase new recording equipment.

Mr. David McKendall was the new faculty sponsor of Playback this year. This year's editor, Betty Venrick, worked with Mr. McKendall to coordinate the various committees.

In the fall a questionnaire asking for suggestions and comments was distributed to twelve adviser groups. The script committee, under John Jones's direction, tried to follow the wishes of the students. Mike Kline and his technical staff recorded school activities throughout the year. Dee Moore, as publicity head, supervised an extensive publicity campaign in February. A Playback Week highlight was narrator try-outs; Tom Carmen and Marilyn Pfeifer were chosen. Rich Samuels headed the business committee which organized and recorded subscription cards and handled distribution of the finished product on June 6.

2 Language Magazines

Once again this year many of New Trier's foreign language students had the opportunity to enploy their special skills through the annual language publications. These magazines, selecting material from among the contributions of their respective language classes, provided students with a valuable chance to express themselves in a foreign language and with interesting experience in all phases of publishing a magazine.

Le Flambeau, the French magazine, was sponsored again this year by Mrs. M. L. Morris. Along with Editor Mim Perlmutter, a capable staff produced a varied and interesting magazine. A prize was given to the first class with one hundred per cent subscription, Miss Donham's French 4D class. The cover design this year was the work of Jean Stokes.

Die Schreiberei, the German publication which first appeared in 1936, has grown steadily in popularity ever since. Mr. Gordon Jensen, sponsor, and the staff did a splendid job this year in compiling, selecting and editing material for the magazine.

Unfortunately, due to the illness of Miss H. M. Lennards, sponsor of **Praeco,** the Latin magazine was not published this year. Latin students are looking forward, however, to its reappearance next year. Also missing this year from the regular line-up was **El Pregunton,** the Spanish language annual. Although it surpassed all of New Trier's other foreign language magazines in sales for several years, it has not been published since 1956.

New Trier's foreign language magazines satisfy the need of all language students to read and write material which can be enjoyed for its own value without the stresses of required assignments. Because they offer these opportunities to the students, the language publications are among the most worthwhile of New Trier's extra-curricular activities.

DIE SCHREIBEREI STAFF

DEBATE TEAM
Left to right: Rosen, Graham, Miller, Cohen, Mr. McGee.

New Trier debaters enjoyed their finest year on record in 1958, both in debate and in individual events. Debating the topic, "Resolved that foreign aid should be substantially increased," the varsity compiled a total record for the year of seventy-four wins and eleven losses.

Under the inspiration and leadership of Mr. Ralph McGee, in his third year as coach of the debate, the team won its league competition, the Metropolitan Debate Union, and first place trophies in many individual tournaments. Notable among these were tournaments held by the University of Illinois, Northern Illinois University at DeKalb, and Augustana College in Rock Island. New Trier won this tournament for the first time in history, surpassing forty other schools.

Debate Hits New High

The varsity, consisting of Marc Rosen and James Graham on the affirmative and Ralph Miller and Louis Cohen on the negative, completed the year by winning the National Forensic League state championship. This qualified them to represent New Trier at the National Tournament in June.

In Illinois state individual competition New Trier entered more people than ever before, and several were outstandingly successful. Kent Brittan in After Dinner Speaking and Marc Rosen in Serious Play Reading made distinguished performances in their events. James Graham won sixth place in the state in extemporaneous speaking, and Louis Cohen won the state championship in original oratory with an oration entitled "Bread and Circuses."

A portent of good things was seen when the sub-varsity team, consisting primarily of sophomores and juniors was able to win first place in league competition as well as in a tournament held at East High School in Aurora. The younger debaters seemed to possess the spirit and ability which has characterized New Trier teams in past years.

In addition to contest work, the varsity team gave demonstration debates before the Wilmette Rotary Club and the Glencoe Junior High School. Several debaters participated in the Optimist Club speaking contest. The year's activities enhanced New Trier's reputation not only among the debate teams of Illinois, but among local organizations as well.

Leading the Drama Club ventures this year were Marilyn Pfeifer, president; Mike Sennott, vice-president; Wendi Griffin, secretary; and Jeff Winkless, treasurer. Dramatic presentations during this 1957-58 season reached an all-time high with the completion of the new Matthew P. Gaffney Auditorium, which offered new challenges in production methods.

In November "An Evening of American Theater," presented by the Music and Drama Departments and the dance group was the first show to explore the auditorium's limitless possibilities. The first two scenes of "Dark of the Moon," by Howard Richardson and William Berney, were directed by Miss Gahagan and were performed by the cast led by Madeline Pinsof and Ty Porter.

Instead of the traditional frosh-soph cast for the December production, students from all classes played in "The Soldi Gold Cadillac," by Teichman and Kaufman. Under the direction of Mr. Buerger, the story was told by a Brooklynese narrator, played by Roger Fink. the Four Ugly Corporation Directors, played by John Jones, Mike Coffield, John Hust, and Mike Carmichael, wrought havoc with the company. An exceptionally strong supporting cast also turned in a fine performance.

New and different techniques in staging were the outstanding factors in this year's two evenings of one-act plays. The first, February's "Experimental Theater," included Geoffrey Chaucer's "Pardoner's Tale," directed by Mr. William Gregory; an excerpt from the contemporary play, "Twelve Angry Women," by Reginald Rose, under the direction of Mr. Buerger; and the very unusual and modernistic "The Adding Machine," by Elmer Rice and directed by Mr. Nelson Lehman. This was a real opportunity to demonstrate the prowess of those behind the scenes and the importance of technical crews to the success of a show.

Production Director Mrs. Gill and Stage Manager Scott McCausland handled the staging, with crews who worked cooperatively and and efficiently, stimulated by the improved facilities of the new auditorium. Props crew, under Linda Ude, helped make the necessary quick scene changes and furnished the sets with everything including a rocking horse. Joan LeVine and Nada Rubin managed the costume crew. The technical crews used effects made possible by the new light board to show the make-up jobs to the best advantage. The special greenish complexions in "The Adding Machine" proved quite a challenge to Co-heads Barbara Lucas and Carol Provol of make-up crew, and their sponsor, Miss Gahagan. Stage crew, under Robin Converse, built and shifted sets; the sound was provided by Mike Klein and his crew.

The second evening of one-act plays, "Short Story Theater," presented in March, was directed by Mr. Rude, who introduced the chamber theater method. The first of the four exceptionally well dramatized stories was James Joyce's "Eveline," which combined dance, drama, a short story script, and a narrator who took several parts. "Demon Lover," by Elizabeth Bowen, with its cast of two, was an eerie, haunting performance. As a change of pace, Max Schulman's "Barefoot Boy with Cheek" presented its riotous humor to a very responsive audience. Finally, D. H. Lawrence's "Rocking Horse Winner," with its dramatic lighting at the end, built up to a powerful emotional climax.

This year drama enthusiasts had the opportunity to attend the Goodman Theater series. The Drama Club also sponsored a December trip to Lerner and Lowe's hit show, "My Fair Lady."

The casts and the crews of this year's shows set a new high standard for student theatrical productions. New Trier audiences can reasonably expect that the Gaffney Auditorium's splendid facilities will continue to enhance the quality of dramatic expression at New Trier in years to come.

MASSED ORCHESTRAS AND CHORUSES FILL GYM WITH CHRISTMAS MUSIC

The major innovations in the Music Department this year were the combining of the Drama, Music and Dance Departments for a fall performance and the co-sponsorship of the dance group by the Music and Girls' Physical Education Departments.

On November 1 and 2 the Music Department presented, as the third part of "An Evening of American Theater," the contemporary musical, "Down in the Valley." The show was performed by a separate cast each night.

The annual Christmas Concert was given on December 16. Over 1200 students participated, performing in choral and instrumental groups. The Spring Festival was May 18. Barbara Bradley and Judy Perlman were the senior soloists and the Junior Girls' Ensemble were the featured performers.

The year was also sprinkled with delightful smaller performances. The Senior Ensembles were the first groups to perform in the new auditorium, singing at the Dedication Ceremony on September 8. They also gave a concert with the choir and band in February. The Choir gave two Christmas programs at Old Orchard and sang at the Civic Opera House May 11 for the National Conference on Social Welfare. The junior music organizations gave concerts in November and April.

Wanting a show worthy of the wonderful new auditorium, Dr. William J. Peterman decided on "Oklahoma!" as the spring opera. It was performed March 19-22 with magnificent scenery, costumes and dancing. Double casts produced four evenings of sparkling music. With the advantages of the huge stage and splendid acoustics of the Gaffney Auditorium, "Oklahoma!" became one of New Trier's greatest musical productions.

The New Trier Band performed at football games and gave concerts throughout the year; they will finish with one in the Wilmette Bowl June 8. The orchestra too performed on several occasions and will give a program on June 6.

A most important part of extra-curricular activity at New Trier is the clubs program. All clubs are under the direction of Student Council's Council of Clubs, which coordinates club activities, directs publicity drives, and sponsors new clubs when students show sufficient interest in forming them.

Among the widely varied organizations are those devoted to serving the school. They include the Visual Aids Staff, the Public Address Corps, the newly organized Fine Arts Room Supervisors, and the Service Club, which is composed of girls trained to assist in the nurses' office.

Another service organization is the New Trier Guard. Directed by Swimming Coach Dave Robertson and headed by Trudy Wyss, Bill Wolff, and assistant Dave Steele, the Guard is composed of 16 girls and 30 boys, all trained in life saving. They teach swimming on Saturday mornings to grade school classes and guard on Wednesday evenings while adults in the community swim. The boys also supervise after school. The Guard is the backbone of the New Trier Swimming Organization.

Recreation, Education

"N" Club, whose president, Tim Elliott, is a member of the Tri-Ship Board, is made up of all those boys who have won letters in any sport sponsored by New Trier. Under Tri-Ship it has become a service group, filling in wherever it is needed. Mr. Frantzen and Mr. Hartbarger are the "N" Club sponsors.

Ski Club, under the leadership of Mr. Larsen and President Dwight Smith, is open to all skiing enthusiasts. Meetings were held during the fall and winter to plan this year's trip to Mt. Telemark, a highly successful expedition.

There are several mathematics clubs at New Trier. They serve to supplement class work and to permit students to study fields of special interest. A follow-up of Mr. Lill's Freshman Math Club, Sophomore Math Club, sponsored by Miss Cornell and headed by Tom Rubens, is intended to stimulate interest in fields not covered in sophomore classes. This year members took a field trip to the Museum of Science and Industry. The Engineering-Math Club is open to students interested in American technology and the application of mathematics to modern life. The club visited the Allis Chalmers plant and met throughout the

Every foreign language taught at New Trier is represented by a club. These groups have been organized to give language students the opportunity to practice speaking their languages. Spanish Club, under Mr. Zukowski and Nick Murray, held frequent meetings during the year, at which there were games and conversation. A highlight was the Christmas party. Latin Club, open to all Latin students, saw slides of Europe and had a Christmas party and a spring banquet. Mary Schwenn and Sue Otto were co-consuls and Miss Breidenbach and Mrs. Kidd co-sponsors. F.T.A., associated with the National Future Teachers of America, is a relatively new club sponsored by Mrs. Smutny. F.T.A. met monthly with speakers from all fields and levels of education. The president was Linda Unrad.

Junior and Senior Music Clubs are designed to promote musical interest, to give recital experience to performers, and to give musicians a chance to hear one another. Junior Music Club is sponsored by Mrs. Bradburn and headed by Donnie Laufman. Their monthly meetings culminated in Parents' Night and a Family Night of music. Senior Music Club, for juniors and seniors, presented Jazz Night, in April, and ended a year's musical activities with Parents' Night honoring its seniors. Lola Lloyd was president and Mrs. Ream sponsor. Musicale Club, under sponsor Mrs. Kidd and President Judy Gathercoal, is dedicated to the enjoyment of music by non-performers. The club had Latin American and Scottish programs and saw an opera.

Promote Arts, Crafts

Eager collectors are eligible to join the Stamp and Coin Club, which meets twice each grade period. Members exchange their own stamps and coins, view collections assembled by adult enthusiasts, and hold frequent auctions. Mr. Pifer is sponsor and Bob Macdonald president.

Chess Club is open to students wishing to learn and to play the game. Under Sponsor Mr. Johnston and President Jim Stein, the team played matches with other northeastern Illinois high schools and participated in a league tournament in May.

The American Field Service Club was organized only this year. The aims of the club are to publicize the A.F.S. program, to help in the orientation of exchange students, and to become well acquainted with those in this area. Mr. McClosky is the sponsor.

Mr. Landwer and Judd Rosen headed the Creative Hobby Club. The club tried to stimulate interest in such things as designing and building models of wood, metal, and plastic, using New Trier's shop equipment.

Lens Club is interested in giving students a chance to work at photography. The club held studio nights each month, displaying a variety of subjects. First semester's president was Sheldon Lytton; second semester's was Chuck Finkel. Mr. D. Smith is sponsor.

courses. Meetings were held once each grade period. Mr. Jones is the sponsor.

Increasing the knowledge of boating safety, exchanging boating information, and increasing interest in all types of boating activity are the aims of the Boat Club. Under Commodore James Diltz and Sponsor Mr. Carlstrom, the club held meetings and made an all day cruise on the Chain of Lakes, Fox Lake, Illinois.

All students interested in the world and its peoples are welcome in the Geography Club. New Trier students who have lived and traveled in the U.S. or foreign countries are invited to speak and show pictures. Members

rganized This Year

have taken occasional field trips in the Chicago area. A Christmas party was held this year in accordance with a club tradition. Laurie Klauser was president and Miss Flemington is sponsor.

The Bridge Club is another new group. It gives bridge fans a chance to play and to learn fundamentals of the game with other interested students. An organizational meeting was held in the fall, and there were several follow-up meetings. The student lounge offered a most congenial setting for the club's activities.

All students interested in psychology are eligible to join Psychology 301. Co-Chairmen Richard Denning and Richard Morgan and Sponsor Mr. Brull guided club activities. Mr. Burdine, Mr. Kelley, a psychologist, and a caseworker gave lectures at various meetings.

Ann Bates is president and Mr. Chapman is sponsor of the Hi-Fi Club, which promotes and encourages interest in high-fidelity sound and equipment and in good listening.

The New Trier Astronautical and Rocket Society, another newcomer this year, is for those seriously interested in rocketry. The club, under the guidance of Mr. Compton and President Stuart Cohen, drew up a plan for designing, constructing, and testing a rocket.

Members of the Garden Club devoted study hall periods to tending the greenhouse. Al Lucas, club president, made a time-lapse film showing some flower blossoms opening. Mr. Hoyt is their sponsor.

The New Trier Radio Club, sponsored by Mr. Rockey and headed by Dick Nongard, received some new equipment, added several amateur stations, and fixed up the "ham shack."

There were two clubs newly organized this year, but not pictured here. The first, Greek Club, began in the fall with twenty-five members and Mr. James Marran as sponsor, to enable students to learn about the language, life, and ideas of the ancient Greeks. Chemistry Club, the other new organization under Mr. E. Smith, sponsor, and Mike Rosenthal, president, is intended to supplement class work and cover areas not included in the standard course.

THIS IS THE PRESIDENT OF SENIOR CANTEEN

PARENTS HELP WITH THE REFRESHMENTS AND CHAPARONING

Run entirely by and for members of the Class of '58, Senior Canteen provided movies, dancing, refreshments, and entertainment for seniors and their dates. The head of Canteen for 1957-1958 was Chuck Rutherford, who, assisted by the Board and its committees, arranged and ran three successful parties.

The first was "El Cantino," held on October 26. "El Cantino" featured an Italian theme, pizza and cokes, and the movie, **Viva Zapata.** Bob Ravenscroft's combo played.

"The Night After" was the theme of the second canteen which took place on February 15. The evening featured the decorations borrowed from the Junior Girls' Valentine Dance, dancing, and riotous "magic" show. "The Crypt" was on May 17. The new lounge was the casual setting of two canteens.

The officers of the Senior Canteen, who backed President Rutherford, were Peggy Smith, vice-president; Barbara Reise, secretary; and Bob Appel, treasurer. Kathy Mouzakeotis and Ty Porter were in charge of all decorating work and either bought or borrowed the necessary materials. Carol Provol had the job of supplying refreshments, and John Baker handled ticket sales. Bob Revenscroft was in charge of arrangements, particularly those for the music. John McDaniel did the publicity for all the Canteens. Last, but definitely not least, was Entertainment Head Hal Jennings, who provided Canteen goers with memories of many hilarious comedy routines. Bill MacLean and Chuck Rutherford lent him able assistance. The 1958 Board deserves great credit for this year's Senior Canteens.

ECHOES of 1958 was printed by the Clio Press, Economy Advertising Company, Iowa City, Iowa. Professional photographs, which include most of the individual portraits and large-group pictures, were taken by the Bernie Studio, Evanston, Illinois. Engravings were made by the Jahn and Ollier Engraving Company, Chicago, Illinois; the covers by the Shelby Craftco Company, Chicago, Illinois.

The cover design is an original water color by Becky Brown. All design, layout, write-ups, and non-professional photography are the work of the students of New Trier Township High School, Winnetka, Illinois.

Good luck always;
